- Travelling
- Music
- Gaming

# Satyam Maurya

## Full Stack Web Developer

### PROFESSIONAL SUMMARY

Dynamic and adaptable full-stack web developer proficient in the MERN stack, with a strong focus on JavaScript, Node.js, and React.js. Possesses a keen attention to detail and exceptional problem-solving skills. Proven ability to leverage Generative AI and rapidly learn new technologies, enhancing development workflows and software excellence.

### PROJECTS

#### 1. Spotify Clone | |

React | Git | Responsive Web Design | Tailwind CSS

- Developed a frontend music streaming web app with essential playback controls using React.js.
- Implemented a fully responsive design with Tailwind CSS for seamless user experience on mobile and desktop devices.
- Ensured clean and visually appealing layout for displaying albums and playlists, providing smooth navigation and playback.
- Leveraged Git for version control and collaborative development workflows.

#### 2. YouTube Clone | |

React | Git | RESTful APIs | CSS3 | Responsive Web Design

- Built a frontend video streaming web app using React and RESTful APIs.
- Fetched real video data and displayed it in a responsive layout for mobile and desktop users.
- Implemented a clean and simple UI to enhance navigation and browsing experience for users.
- Used CSS3 for styling and Git for version control, ensuring collaborative development workflows.

### ACHIEVEMENTS

- Certification of Excellence,
